7. Finding and getting money

7.4.13 Local funding - Conwy

This information sheet is designed to give details about small grants, which are available for small groups and organisations within the voluntary sector in Conwy. The entries in this sheet are intended as a general guide, the contacts given will be able to provide you with more detailed information.

This sheet should be read in conjunction with **7.4.1 Small Grants** which details small grants which are available on a regional or all Wales basis.

CVSC Small Capital Grants Scheme 2011 – 2012

The CVSC Small Capital Grants Scheme is funded by the Welsh Government's Community Facilities and Activities Programme, which helps community and voluntary organisations provide facilities or carry out activities which will promote the regeneration of communities.

The grants scheme is open to voluntary groups, community groups or charities in the County Borough of Conwy having a turnover of less than £150,000 per annum, providing they:

- Have a constitution or set of rules that have been signed or “adopted”.
- Have an equal opportunities policy.
- Have a bank or building society account.
- Have annual accounts (audited or signed as approved by a senior person from the group).

Only one grant will be allowed within the three year period.

It is expected that applicants will be assessed by CVSC officers for eligibility before submitting an application. All applications will be passed to the Grants Panel for consideration

The maximum grant that can be applied for is £5,000.

North Wales Coast Regeneration Area – Community Fund

The North Wales Coast Regeneration Area (R.A.) is making funds available to support suitable Community Capital projects where other sources of funding are not available. The fund will operate initially over a 3 year period.

Projects may be undertaken by community and voluntary groups, registered charities, town and community councils. All projects must be located within the Regeneration Area which in Conwy takes in Mochdre/Rhos-on-Sea through to Kinmel Bay.

This is a discretionary grant with the amount of funding offered assessed on an individual project basis. The maximum contribution available per capital project is £20,000 inclusive of V.A.T. The R.A. will look at 50% funding towards the cost of the project but applications in exceptional circumstances may be awarded higher (up to 80%)

Alongside this fund, RWE npower renewables have made funding available for community benefit projects across the same area. This fund has a maximum amount of £10,000 or 50%.

In both cases the minimum grant is £1,000.
